EDUCATION

Government Women's Engineering College, Ajmer (GWECA)	2023 – 2027
<i>B.Tech in Computer Science and Engineering</i>	CGPA: 8.66/10
Marwar Montessori Senior Secondary School	2023
<i>Class XII (PCM)</i>	92.20%

EXPERIENCE

Full-Stack Developer Intern	May 2026 – Present
<i>HKRM Pvt. Ltd.</i>	Remote
– Developed and enhanced features for TgGuild, an open-source cross-platform collaborative workspace built with React, TypeScript, Rust (Tauri), and Telegram MTPROTO. – Implemented Workspace Visibility with selective sync for drives, groups, and direct messages, improving workspace organization and application performance. – Optimized application startup through shared dialog caching and resolved frontend/backend issues involving file operations, deep links, and state synchronization.	
Web Development Intern	Aug 2025 – Oct 2025
<i>Apex Planet Software Pvt. Ltd.</i>	Remote
– Developed responsive web applications using HTML, CSS, and JavaScript with interactive UI components and form validation. – Designed responsive layouts using Flexbox and Grid while managing version control and collaboration using Git and GitHub.	

PROJECTS

Aarohi – AI-Powered Menstrual Health Education Platform	In Progress
React.js — Node.js — Express.js — MySQL — Gemini API	
– Developing a stigma-free menstrual health education platform with structured learning modules and myth-busting content. – Integrated the Google Gemini API to build AI Sakhi, an AI-powered assistant for menstrual health education.. – Designed RESTful APIs for lesson management and AI interaction.	
WanderLust – Full Stack Rental Platform	In Progress
MongoDB — Express.js — Node.js — Passport.js — Cloudinary — Mapbox	
– Developing an Airbnb-inspired rental platform with secure authentication and CRUD operations for listings and reviews. – Integrated Cloudinary for image uploads and Mapbox for interactive location-based services.	

TECHNICAL SKILLS

Languages: Java, JavaScript, TypeScript, HTML5, CSS3
Frontend: React.js, Responsive Design, DOM Manipulation
Backend: Node.js, Express.js, REST API Development
Databases: MongoDB, MySQL
Authentication: JWT, bcrypt
Tools & Platforms: Git, GitHub, Postman, VS Code
Core Skills: Data Structures & Algorithms (Java), OOP

ACHIEVEMENTS

AICTE Pragati Scholarship (Government of India) — Recipient through the National Scholarship Portal (NSP) for academic performance in B.Tech.
Open Source Contributor (TgGuild) — Contributed 50+ commits implementing features, performance improvements, and bug fixes in an open-source collaborative workspace project.
